

My name is Jacob

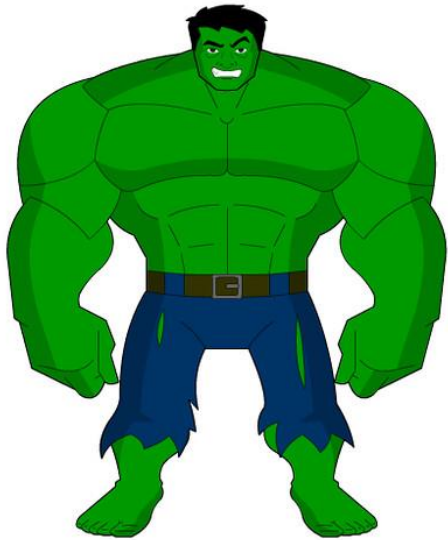

This is a story about how
God made me special!

I was born with
Beckwith-Wiedemann
Syndrome

But we like to say **BWS**.

BWS is a fancy word for saying:

I grow really

BIG like

Hulk

I am really

STRONG

like

Superman

I am so brave!

I grow so fast I can get tumors, which means I get sick from something that grows in my body.

I go to the doctor every few weeks for blood draws and ultrasounds.

My tongue grew BIG!

Sometimes it is hard for me to talk.

I needed surgery to eat and breathe.

The BWS colors are:

Yellow Gold

and

Green

BWS AWARENESS

Thank you

for letting me share how God
made me special!

BWS Awareness Day

is on April 6

I hope you will wear yellow and green!
